

CONTEST RULES AND REGULATIONS

Sherman and Hemstreet Real Estate Company is celebrating 100 years! Founded in 1924, Sherman and Hemstreet is one of the Southeast's oldest real estate companies, firmly rooted in the CSRA and supporting the community for 100 years!

To honor the last century of support, Sherman and Hemstreet wants to celebrate with all of you by supporting local charities that are important to you, and our community.

Four local charities will be selected to receive a cash donation of \$1,773.10. Why \$1,773.10? That is how much \$100.00 in 1924 would be worth in 2024. In addition, the charity will receive a table at our October 18th "Roaring 20's" celebration. In addition, every click, share, comment, nomination and vote we will count as a one dollar which will add up and donate at the end of each campaign.

Nominating:

Sherman and Hemstreet will announce on their Facebook page the beginning of each nomination period. During the nomination period, visit www.shermanandhemstreet.com/100years and fill out a nomination form for a local charity you would like to receive the donation. No political organizations or political charities.

Voting:

At the end of the nomination period the three charities to receive the most votes will be selected to vote on by the CSRA. Voting will last 10 days, and the winners will be announced on our Facebook page. Like and share our Facebook page so you, and your friends, won't miss the opportunity to cast your vote to support a local charity that supports our community.

To vote go to www.shermanandhemstreet.com/100years and complete the voting form. You can vote once per day. The charity with the most votes at the end of the voting period will receive the donation as well as a table at our October 18th "Roaring 20's" celebration.

Good luck to everyone! We look forward to seeing support grow for Augusta's favorite charities.
